CHARTERED BUILDING COMPANY

# CONTRACT DETAILS

**SACRED HEART R C PRIMARY SCHOOL,  
LOCKWOOD ROAD, GOLDTHORPE ROTHERHAM**

Client: Sacred Heart R C Primary School

Completion date: October 2009

Consultant Architect: John Hill Associates

Value: £480,000.00

## PROJECT DESCRIPTION

Extension and refurbishment of existing primary school including new heating system and electrical rewire throughout and provision of external play areas and architectural canopies.

## CHALLENGES

It was vital that through out the extensive works the school should remain in operation. This required careful planning and phasing to ensure classes were not disturbed. The key-stage 2 section of the school which consisted of 4 classrooms, kitchen, staffroom and WC's were fully refurbished during the 6 weeks summer holidays which required detailed planning and management to ensure all critical path items were on target on a daily basis so that corrective action could be taken.

This ensured that the classrooms were ready to receive pupils on the first day of school.
