The project consisted of the complete refurbishment of the Church including a specialist System Ideal under floor heating system with diamond cut Yorkshire paving, Bianco Carrara marble flooring & rebuilding of the marble altar.

Common Lane
Wath Upon Dearne
Rotherham S63 7DX

T: 01709 761600
F: 01709761601

E: mail@opconstruction.co.uk

The contract had to be completed in a very tight contract period of 14 weeks as weddings were already booked in for July.

Very careful planning and programming had to be employed in order to achieve completion on time and ensure that the future brides had a venue for their weddings!
